PRINCIPALS MESSAGE

The students did a fantastic job last Friday during our participation in Clean Up Australia Day. We didn't think we would find much rubbish when we started but it is amazing what you find when you start looking closely at the ground. A big thankyou to Brooke and Phil Amezdroz for cooking our special lunch order on Friday. Helpers are needed for the lunch on the day of the Pirate show.

HARMONY DAY

We are asking all students to bring in a favourite coloured piece of fabric/material (old cut t-shirt, tea towel, scarf etc) to represent our colourful and multicultural similarities and differences on Harmony Day. It would need to be long enough to simply knot together with another to create one long piece. This will be wrapped around a tree at school.

RAINY DAY

It has been wonderful to see the rain this week. The students loved the opportunity to play some games inside. They got very creative and showed some impressive skills.

MESSAGE FROM MRS CARTER

The children have been playing with the equipment from the shed. They are refining their skipping skills and also practising tricks with hoops and balls.

During art this week the children have begun creating a silhouette. This ties in with the unit on light in Science that we are doing, and our experiments with light to create shadows using torches. The children have also been creating artwork to combine as a school display for Harmony Day.

STUDENT OF THE WEEK

INFANTS

William Skillin

For enthusiasm with learning.

Primary

Harry Murphy

Great effort in Maths.

Mufti Day

We will have a mufti day on the 27th March to raise money for cancer research. The students can wear their weekend clothes for a cold coin donation.

PCYC Safer Internet Information Session

St Joseph's Primary School Grenfell, in conjunction with the PCYC in Young, will be hosting a free event for parents, carers, and children, on Thursday March 12th, to discuss safe internet use.

Crime Prevention Command Police Officer Senior Constable Karen Clark will be running the free Safer Internet session starting at 5:30pm in the St Joseph's Primary School library.

All parents and young children in the community are invited to encourage discussion between parents and young people about what they are experiencing and seeing online.

The information session will explore how to be safe online, given that the use of the internet and social media is such an integral part of everyday life. It aims to educate parents and their children about trending online issues which young people are facing on a daily basis.

St Joseph's Primary School encourage, parents, carers and young people in the local community, to attend this free information session to find out more about online safety.

When: March 12 at 5:30pm

Where: St Joseph's Primary School Library

Who: Parents, carers and young children
