PRINCIPAL'S MESSAGE

We have had a great start to the term. The children have been settled and completing lots of great learning opportunities. It has been great to see the children enjoying this beautiful weather and playing baseball and showing of their gymnastic skills on the climbing equipment. We had Helen Garret visit and start teaching tennis lessons last Friday. The children all got a lot of enjoyment out of this opportunity and have already shown improvement in their skills. Unfortunately Mr Cartwright was having so much fun playing tennis with the children he didn't take any photos. We have some proud award winners below with Harry and Tiffany showing impressive mathematical skills this week. The Primary class are learning some Australian history this term and they are looking forward to showing of their work in the newsletter.
