Term 3 Week 1 – Thursday 15th July, 2021

Principal's Report

Welcome back everyone. Hope you all had a refreshing break. All the staff are excited to be back and are ready to teach the students some exciting skills and knowledge. We have a robotics kit at the school this term so please ask your children what they have been doing with the robots. Due to Covid restrictions could you please maintain social distancing and using the NSW App to sign when visiting the school. If possible send me a text or ring.

Home Readers

Students in K-2 are given readers each day. Studies show that if children read each night, on top of what they are doing at school, their success in reading is dramatically increased. The primary students are encouraged to borrow library books so they also have something to read each night.

Pand C

Meeting Monday the 19th July. We will hold the meeting in the Infants classroom, starting at 6pm.

Education week

Education week is starting Monday the 26th July. We will be holding a Book Fair during this time. More information to come out soon.

Term 3 Sport

We are lucky enough to have Helen Garret coming to the school each Friday this term to teach the students tennis skills. Don't forget your sports uniform.

Waste 2 Art

Could you please keep any 2-Litre soft drink bottles you use at home? Please wash them and send them in for us to make an artwork for waste 2 art.

Attendance is vital in education. We are looking into positive rewards for the students if they can increase their attendance at school. We understand that kids get sick. So, if the students bring a sick note in when they return to school after being away sick, these days are exempt from the attendance rate. More information coming out about this soon.

2022 Kindergarten Transition

We are hoping to start Kinder transition soon, so please contact the school if you have, or know of, school aged children in our community.
