Term 4 Week 3– Thur. 1st November 2018

PRINCIPAL'S MESSAGE

It was very encouraging to see the number of parents who were able to assist with catering for last weekend's open garden day. We had some beautiful cakes made for the day. A special thanks to Mel's son Cody who did a great job decorating cakes. Thanks also to other families who are doing some behind the scenes fundraising as well. Not everyone can attend meetings and it is great to see that people are showing some initiative.

SHOOSH PROGRAM

No doubt many of you have seen some ugly scenes at sporting events involving children. It is tragic when parents allow emotions to escalate and make negative comments toward opposition teams, or individuals involved in any capacity such as referees. This should never happen at any sporting event, particularly an event where children are involved. Please see the latest campaign brochure entitled SHOOSH which has been produced to remind parents how to behave at junior sports. It is a real pity that some people even need such a reminder. Remember the old saying"If you haven't got something good to say, say nothing at all."

PHILLIPS' SHIELD SPORTS DAY REMINDER

Parents are reminded that there is no bus for Phillips' Shield day in Week 4. It is at Gus Smith oval in Young and all families are encouraged to attend. Please ensure children are there by 8:50 am in time to assemble for the March Past at 9:00am. If you are unable to provide transport yourself, perhaps another family could take your child. I will leave this for you to organise. Any problems, please give me a call.

A big thankyou to Wombat Public School P&C who have offered to do the catering for the day. This is a big task and we just felt it was too big for us this year so thankyou Wombat for the generous offer to open the canteen. Lunch Menus were sent home on Tuesday along with a note indicating that orders should be placed at the canteen. This will need to be done before 10:00am. Please do not send orders to school. Look forward to seeing all families represented on the day.

As Mr Gorman is away on the day we need a lot of additional help to ensure things run smoothly. Thanks to Terry for offering to take some equipment and our shade tent to the oval. If anyone can get there a bit early to give him and Max a hand to put our shade shelter up, it would be most appreciated. We also need help to set up high jump and get equipment to the various field events so if you can be there from about 8:15 it would be even better.

In the unlikely event that we need to postpone or cancel the day, it will be announced on 2LF sometime after 7:00am.

STUDENTS OF THE WEEK

The Primary Student of the Week this week is Charlie-Rose Hyde for displaying significant growth in Mathematics. The Infants Student of the Week is Laney for always being on task and for completing work with care.

Garry Heath

Principal

Date	Event	Venue/Time
6 th November	Phillips' shield	Gus Smith Oval 8:50 until 3:00pm approx.
